

Praise for Your Jesus Journey: Navigating Life with Scripture Reflection

Your Jesus Journey reflects a lifetime of Cindy's personal love for Jesus and her dedication to God's Word. Through years of her investment in our church community, I have witnessed real transformation in the lives of our congregants who followed her simple, clear daily devotions. This book is honest, faithful to the Word, and helpful for personal growth in Christ.

—Rev. Nathan Alley, pastor of community growth, Christ Community Covenant Church

This book was exactly what I needed! It invited me into deeper dialogue with Jesus as I engaged in the Bible passage. I learned how to capture a summary and apply it to my life. As a result, I've been able to maintain consistent time with the Lord!

—Heather Wiebel, social worker

The Daily Retreat process has been an excellent way to keep myself firmly rooted in Christ each and every morning. It helps me keep a Christian worldview while conducting my life and has led to me spending more time with Jesus than I ever did before. I wholeheartedly recommend Your Jesus Journey, not just as a book but also as a way of developing and deepening your faith.

—Parker Elliott, Daily Retreat pilot class member

For six years I was blessed to participate in Cindy's Daily Retreat women's group. She wrote her own material, which included a Bible passage, a short example from her life that applied to the reading, questions for us to answer, and applications upon which to meditate. Now she has written this book to fulfill her heart's desire to help all people relate, one-on-one, with Jesus. Enjoy the exciting journey ahead!

—Patty Davis, Daily Retreat women's group participant

Your Jesus Journey has helped me fill a void in my daily routine—scheduled time alone with Jesus! Cindy's writing is conversational, deep in knowledge, and humorous. She has walked closely with Jesus for many years and, most importantly, has listened to His voice when He gives a command! I did Daily Retreat on my own. It's very easy to follow, and the format makes it simple to create a daily habit. I have used both scripture and Christian studies as my base, and it works for both formats.

—Donni Harms, office manager at Christ Community Covenant Church and co-Jesus lover

Your Jesus Journey is an excellent and blessed read. If you are seeking true satisfaction and have not quite found it, this book will be a taste of heaven to you. An intimate relationship with Jesus Christ will carry you through life's fiercest battles. Thank you, Cindy, for being obedient to our Father's call, writing the passions of your heart to encourage others.

— Marty Harris, retired librarian, Christ Community Covenant Church Council chair, and one of Cindy's longtime prayer partners

In one of Cindy's Bible classes, she boldly asked, "At what point does a person cross the line and become completely sold out to Jesus?" This is Cindy to a T. With her amazingly uplifting attitude, she presents Jesus and brings her insights, guidance, and inspirational instruction to the reader on how to have intimacy with Him. I was literally smiling as I read this book because of Cindy's delightful exuberance in spurring on, emboldening, and reassuring the reader that closeness with Jesus is possible. Jesus does not disappoint, and neither will this book. Enjoy the pilgrimage!
